Declaration of conformity

REGULATION (Ec) nO. 1907/2006 OF THE EUROPEAN PARLAMENT AND EUROPEAN COUNCIL dated December 18th, 2006

Concerning Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

Notification to All Customers

Union Foam confirm hereby that all their articles are compliant with **REACH** regulation and may be classified according to it as Articles (by "article" it is meant an object to which during production is given a special shape, surface or design which determines its function to a greater degree than does its chemical composition; "(REACH Articolo 3(3))"; as such they do not release chemical substances intentionally "(REACH Articolo 7(1))" and must not be submitted to registration or pre-registration

All articles manufactured by Union Foam do not contain:

- SVHC substances (Substance of Very High Concern for Authorisation) in a concentration greater than the limit established in the List of Substances SVHC (Candidate List of SVHC)

The complete updated Candidate List is available on-line: <https://echa.europa.eu/candidate-list-table>

- Substances among those listed in the attachment no. *XIV of the REACH regulation*

Union Foam as Manufacturer of end products and as "Downstream User" of compounds/substances in their manufacturing activity, have implemented all the procedures as per REACH regulation, requesting to their suppliers updated documentation referring to the composition of the products supplied and checking the suppliers compliancy to the regulation; according to the collected information, Union Foam commit themselves to undertake the necessary actions foreseen by the regulation, included notification to clients.
